

GOLDEN GATE WEAVERS GUILD

JUNE 2019

PRESIDENT'S MESSAGE

It's hard to believe we are on the cusp of summer. Growing up, I never cared much for summer. My family wasn't big on vacations; our only outings were to Disneyland and Knott's Berry Farm, so I didn't have great vacation stories to tell my friends when we went back to school in the fall. I remember the one year when my father suggested we go to Disneyland two days in a row because we had E tickets left over. My brother and I were excited and my mother thought he went mad. Even then, no real story to tell because unless one knew my father, the remarkableness of the event was lost. Our September program is "How I Spent My Summer Vacation," and I can't wait to hear all of your vacation stories, weaving or not. Maybe I will even have one of my own.

Thank you for letting me be your President this past year. We've gone through some changes as a guild, and I think we have a stronger group as a result. I want to thank all of you who have stepped up and taken on more responsibilities. Maybe even moved out of your comfort zones a little. It is your hard work that makes our Guild special and I can't wait to see what the next guild year brings.

Hope to see you at the picnic,
Karen

GUILD BUSINESS CARDS

Business cards with our website address and email address have been ordered and hopefully will be received by the time of our picnic. If you aren't attending the picnic, have someone pick some up for you. They will be handy to have over the summer. Potential new members are all around us!

JUNE PROGRAM:

June 17th is the last meeting of the GGWG for the 2018 - 2019 year. It is also the picnic and the annual auction. We always have a good time. We will meet at 10:00 AM in Tilden Park. At our meeting in May each of us signed up to bring something to eat or drink that will be shared with everyone for the picnic. If you missed the May meeting, please think main dish, salad or dessert.

Additional necessities to bring: a chair or two, a plate, cup, and fork, and some warm clothing. Sometimes it is chilly. Bring money or a check to pay for what you buy; everything is priced reasonably.

Fun Stuff to Bring: It's time to clean out your stash and bring fiber-related items that you no longer want: weaving, yarns, tools, books, etc. Label any items you would like to sell outright with a price. If you sell something yourself, please remember to give a percentage of the proceeds to the treasurer. Items may also be donated to the Guild to be auctioned off by our master auctioneer, Susie Hodges. All items that don't sell before lunch will be auctioned off to the highest bidder after lunch with the proceeds going to the guild. Remember, one member's trash is another's treasure! This is a great chance to acquire fiber for just pennies on the dollar...

Directions: Go up Marin or Los Angeles and turn left on Spruce St. At the top of Spruce St., Cross Grizzly Peak and go down Canon Drive to where it ends. Ahead of you there is enough parking for all of us. To the left is the picnic area where we will meet. It is the same place where we have held the picnic for the past few years.

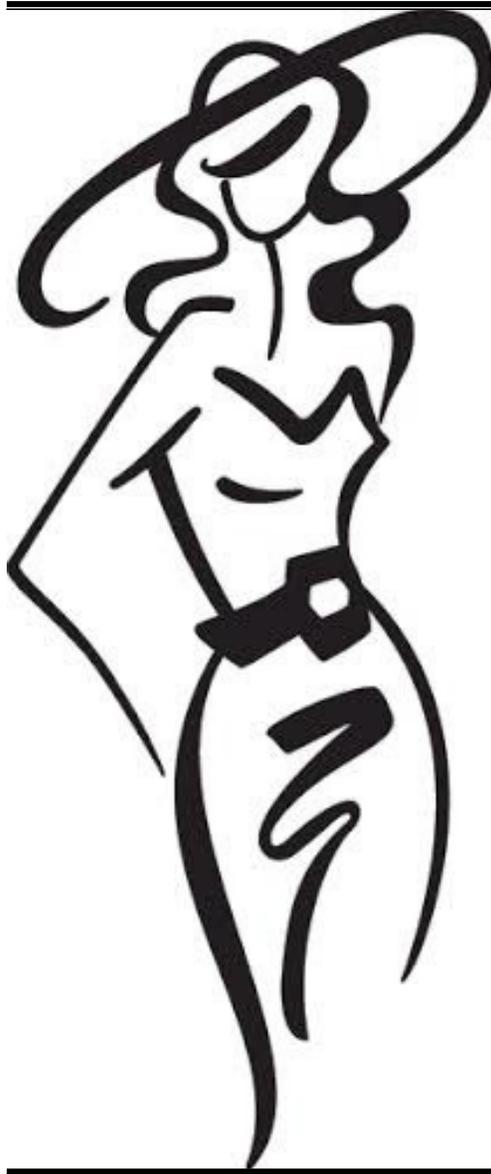

STUDY GROUP will resume meeting in the Fall.
